## Fundraising with JustGiving™

It's the fastest, easiest, and cleverest way to raise money!

Make a page and share it online with your family and friends. Anyone can donate with a credit/debit card from anywhere in the world. JustGiving sends your donations straight to us and reclaims Gift Aid automatically on our behalf.

### Make a page

1. Go to <http://www.justgiving.com/rcoav> and click 'Make your page'
2. Log in to your JustGiving account  
or  
Create an account if you are new to JustGiving
3. Click the 'Choose' button next to 'An organized event'
4. Find the event that you wish to raise money for and click the 'Choose' button
5. Choose a web address for your fundraising page and click 'Make your page'
6. Personalise your page with a message, image and target.

If you are participating in a team-based activity, e.g Dragon Boats, consider setting up one JustGiving page for your team rather than having a page for each member of the team.

*Remember to include the name of your team on the page so that we can track your donations.*

### Share your page

The more you tell people about your page, the more donations you'll attract...

1. Email a link to your fundraising page to everyone in your address book.
2. Track your fundraising progress on your Facebook profile - use JustGiving's Facebook app: <http://apps.facebook.com/justgivingapp>
3. Put a widget and buttons on your blog, website and social profiles. Find them by clicking 'promote this page' on the right of your fundraising page.
4. Keep emailing everyone to update them on your progress - remind them to donate if they haven't already and to send your page to their friends.
5. Let us know how your fundraising's going so we can share your news and good ideas with our other fundraisers.
6. Share your good ideas with JustGiving by emailing [suggestions@justgiving.com](mailto:suggestions@justgiving.com)
