DRAGON BOAT 2006

Rotary Club of Abingdon Vesper

Dragon Boat racing is one of Britain's most competitive water sports. It is open to all ages in one crew, is a great opportunity to raise funds for your favourite charity and above all is fun.

'Dragon Boat Day' has become one of Abingdon's favourite family days out, with many activities to keep all the family entertained. Gather together a group of up to 25 and come along for a great day out!

For further information and an entry pack telephone Carol Hall on 01865 820 079, or see <http://www.abingdon-rotary.org.uk>
